Dear Judge Webster:

Your assistance is sought to facilitate the offering of specialized Improvised Explosive Devices (IED) training to members of the Department's Mobile Training Branch (MTB). The mission of MTB is to provide professional instruction in specialized security subjects to all Americans and Foreign Service Nationals serving in our missions abroad. The training your agency is able to offer would greatly enhance our ability to accomplish this important task.

We appreciate your consideration of this request, and ask that your staff contact Burley P. Fuselier, Jr., at 875-5000 in reply.

Sincerely,

Robert E. Lamb
Assistant Secretary
Bureau of Diplomatic Security

The Honorable
William Webster,
